Evening phone no:	<i>Evening</i>	[REDACTED]
Email:	[REDACTED]	[REDACTED]

About your organisation

What type of organisation are you? Please mark all boxes that apply:

- Unregistered community group/ club/ society:
- Registered charity
Charity Number if applicable: *Insert charity number here*
- Other type: *Please state here*
- Do you have a constitution or a set of rules? Yes No

What does your organisation or group do?

Rotary is a voluntary organisation whose goal is to serve the community by volunteering our time to deliver projects and other good works. We also raise money to give to good causes and charities in the Town and the surrounding area

Details of Grant Requested

What project or attraction are you planning to deliver in Congleton Town Centre?

Describe your event, when and where it will take place, who it is aimed at
Bonfire and Fireworks display taking place on Saturday 2nd November 2024. It is aimed at mixed family groups and other people of all ages from the Town and surrounding area

Is this a new event, or building on a previous event that you have organised within Congleton Town Centre or elsewhere

The event has been taking place for about 50 years in Congleton Park

What activity would the grant pay for?

Due to concerns raised by the public attending the event during the last few years we are having to hire toilets for the public to use during the event and lighting to illuminate the path running alongside the River Dane from the Park Road entrance to the park. Both items are significant costs amounting to £1194 not previously experienced

How do you anticipate that the grant money will increase footfall in the town centre?

Describe how you think this investment could encourage people to come into the town

The bonfire and fireworks display is a popular event and often encourages up to 5000 people to attend, providing additional toilets is an important facility to make the public feel more comfortable. Whilst the additional lighting alongside the footpath is a safety feature as this is a very dark area of the Park. Once the event is finished many will undoubtedly make use of the night time economy including pubs and restaurants

How do you intend to make sure people know about your event

Describe how you intend to tell people about your event and what help you may need.

The event is advertised in the Chronicle, radio, websites, posters and of course via the Town Council notice boards

How will you ensure that your event is inclusive and accessible?

Describe any actions you will take to ensure your event can be accessed and enjoyed by all members of our community.

With the agreement of CEC the car park at the end of Park Road will be for the exclusive use for disabled parking

What measures will you take to introduce environmentally friendly practices to your event/minimise the carbon footprint?

Describe any actions you will be taking to promote good environmental practices and/or minimise the carbon footprint of the event.

Your Budget

How much will the project cost in total? £ 16,000

As well as this grant, please tell us where the other funds for this project will come from. Please mark secured funds with an **S**. If you have applied elsewhere for funding, please tell us where and indicate when you will know the outcome of these applications. Please be aware that the total pot is £6,000 and we hope to be able to support up to 12 town centre events. We will ring-fence the funding for successful applications and will need proof of purchase to release the funding. You can count volunteer time towards your 20% match funding.

Grant	Amount (£)	Secured (S) or Outcome Date
